- \_\_\_\_\_ ADVENTURES ON BROADWAY ..... all ages

### ATTENTION PARENTS:

Placement in an enrichment class is based on the following factors.

- #1: The class must fit into the student’s schedule giving priority to any performance teams they may be assigned to, i.e., dance and singing
- #2: There must be room in the class. It is important to keep the class size small to assure good teacher/ student ratios.
- #3: We will follow the numbered class choices. If you do not number all the classes, you may be placed into a class that you don’t want.
- #4: Several classes are age relevant.
- #5: Be open minded about trying something new! Who knows, you may like it!
- #6: Any class changes must be requested in writing. No changes will be made until the end of week 1.
