STAR SAVERS

At Kids Unlimited we realize that having your child participate in the summer program can be a financial stretch. We know parents want to put their kids in this amazing program but can't always come up with the funds needed. So we created a program that's designed to lessen that burden. It makes it possible for anyone who really wants to join KU to be able to participate in next year's KU Summer Showcase. Here's how it works.

Beginning at anytime, you may make deposits into your own **KU STAR SAVER** account, set up specifically for your child. We will **save** the money you deposit until opening day of summer camp. Then when the tuition due date arrives, you will **already have all or part of your tuition paid!**

It's Simple and Easy:

- ★ You may make deposits of **any amount** into your **STAR SAVER** account, from \$10 to \$100 or more.
- ★ With a monthly deposit of only \$50 beginning in September, you will have \$500 saved by camp time to put toward your child's tuition.
- ★ You may deposit once a month or once a week or every other month. **It's up to you!**
- ★ You can use this program in conjunction with the fundraising tools KU provides, such as candy sales, ad sales, raffle tickets sales, etc.
- ★ Should you start a **STAR SAVER** account and then be unable to participate, **100% of your money** will be refunded.
- ★ The **STAR SAVER** plan is available to both **returning** and **NEW** students who have always wanted to be in the show but couldn't afford it.
- ★ **Anyone** can make a deposit into any student's account: Grandparents, aunts, uncles, friends and co-workers.

To get started with your **KU STAR SAVER** account, just fill out the form below and send it in along with your first deposit. That's it. It's that easy. Or do it online at www.kuia.org and click on Star Savers. If you have more questions, please call **226-6758** for more information.

Anyone can be a KU KID with a **KU STAR SAVER** account!
